

Magic Lamp Session - Good Eats!

GOAL

Adults and girls will develop their meal plans, how they are going to shop, cook, and store food at the event.

CRITICAL INFORMATION FOR MEAL PLANNING:

No open fires or charcoal can be used. Only gas or propane stoves or BBQs.

MATERIALS AND RESOURCES

- Print Girl Menu Planning Idea Sheets (one per person)
- Print Meal Planning Worksheet (one per meal)
- White board or chalk board, Pencils or Pens

FACILITATION O	F MAGIC LAMP SESSION
Core	Evaluate/Review your food budget from the Fairy Session.
Activity	 Read the Menu Planning and Equipment Tips.
Est. 1 hour	 Create your menu and shopping list.
	 Create a Kaper Chart of cooking and cleaning to make it fair for all to
	participate in the meal preparation and clean-up.
Extra	 Adapt a recipe using low fat or low sugar.
Activities	Try a food you have never tried before? Discuss fears / likes / dislikes.
Advanced Activities	 Evaluate how your meal stacks up to the food pyramid? Do you need to make any changes to your menu to ensure healthy eating? Create a Jubilation Cookbook with all your recipes that will be prepared at Jubilation. Share your cookbook with other participants at Jubilation. Practice creating one of your meals outdoors on the equipment you will be using at Jubilation. Host an Outdoor Cooking day for younger girls to show your skills.

MAGIC LAMP SESSION NOTES:

S

- Keep it simple!
- Talk with the girls in your group about food you like to eat. Are any of these foods easy to make a meal with?
- Keep Friday evening's meal extra simple you will need time to set up your camp.
 - Does anyone have a food allergy that needs accommodation?
- How will you handle likes and dislikes when choosing a meal?
- Consider making meals ahead of time and freeze so you can just re-warm.
 - Pack 1 small cooler for each meal and label.
 - Do they have the equipment needed to prepare this meal?
 - Do they have the knowledge to prepare the meal on the needed equipment?
- Once you have a list of meals for Jubilation, make a list of all food items for the shopping list.
- Update kitchen items packing list for meal for your packing list.
 - Groups can cook using propane (stove or grill) or choose to have only cold meals.
- If you are planning only cold meals disposable paper products only might be needed.
- Snacks may be needed for energy.
- Re-bag bulky items and keep trash to a minimum.
