GROUP FLAG

- Its best if no last names of girls are on flag
- Any material can be used.
- You will need to bring something to carry your flag across the stage and also to hang the flag at your campsite.
- Each flag will be taken across the stage on opening night to introduce your group to the event.
- 2-3 girls are allowed to carry the flag for opening ceremony. Please choose the girls ahead of time as not all girls can carry the flag.
- You may try to turn your troop flag into your “Dream Board”
